

We asked Brenton...

Who are the members of The McIntosh County Shouters?

I perform with several of my family members: my mother Carla, and my grandmother Carletha, my aunt Vanessa, and my cousins Freddie, Dennis, L.C., Carolyn, Carol, and Kantressa.

When did you become a shouter?

It is hard to remember exactly because I grew up watching my family shout. I first tried being the stickman at age 5 and the songster when I was 9. My first song as the songster was "John on the Island."

What is one of your favorite family traditions?

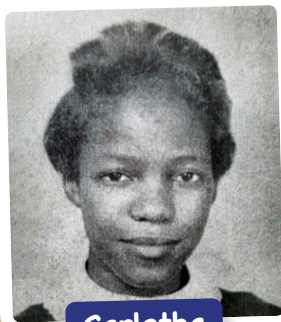

Our family Christmas get-togethers are two days long! We eat, celebrate and play board games.

What is one of your favorite foods?

That is a hard one, but I have to say my Aunt Vicki's broccoli casserole. No one else in my family likes broccoli, so I know she makes it especially for me!
