

## Meet Brenton!

### *Greetings from Darien, GA!*

Hello Musical Explorers!

Welcome to Darien! My home town is on the coast of Georgia, and we always see fishermen and shrimp boats coming and going. I am part of a group called the McIntosh County Shouters along with several of my family members. Our ancestors have been singing these songs on the Georgia Sea Islands for hundreds of years. I can't wait to sing our songs with you!

See you soon,  
Brenton
